OUR MISSION

For 45 years, Voices of Hope has been empowering survivors in the Lincoln community. We provide 24/7, free, confidential services to survivors of domestic and sexual assault and provide comprehensive prevention education to the community.

For each survivor, Voices of Hope assigns them a trained advocate for the entirety of their journey to empowerment.

WHAT IS AN ADVOCATE?

An advocate will be a consistent source of support for any medical, legal, or emotional concerns the survivor has.

OUR SERVICES

We provide crisis intervention, safety planning, and collaborate with various legal and medical entities to ensure the survivor's best interest is always coming first.

**ALL OF OUR
SERVICES ARE**
100% FREE
**THANKS TO
DONORS LIKE YOU.**

With a year of national and media emphasis on #metoo, Voices of Hope has seen an unprecedented increase in survivors coming through our doors for help.

Cost of services should never hinder a survivor from getting help,
**AND THAT'S WHY YOUR
DONATION COUNTS.**

Every dollar goes directly towards ensuring that no survivor is left without the help they need to
**RECOVER, HEAL, AND TO
FIND HOPE.**

It's important for survivors to define their own story of empowerment;
**IT IS IMPORTANT THAT THEY
KNOW THEY HAVE A VOICE.**
